

**FORM 3 – ECG (Required for applicants 45 years of age, and older)**

A current written report of a stress-related ECG is required for all nominated F1x2 passengers aged 45 and over. A stress-related ECG is valid for two years.

The test report must be completed by a specialist accredited in cardiology. Alternatively, the Minardi F1x2 Team can arrange for this test to be carried out either the night before, or the day of, the scheduled event.

Applicants over 60 years of age will be referred to the Team's medical advisor.

All information provided will be treated in the strictest confidence, and will not be disclosed to any other individual, other than in the case of an emergency.

All information provided by you shall be complete and accurate in every material respect, and will be relied upon by the Company in its decision to allow you to participate in a Minardi F1x2 event. **It is essential that you sign this document.**
