

FORM 5 – TERMS AND CONDITIONS

Health, Age and Physical Restrictions

The Minardi F1x2 programme has weight, height, health and legal restrictions. These are outlined on an information sheet provided with the registration form. If you are in any doubt regarding these details, or have any queries, please contact the Operations Manager on 01531 638105.

Weather

The Minardi F1x2 Team reserves the right to cancel/delay a scheduled event, and associated activities, due to adverse weather conditions. We cannot be held liable for any costs incurred as the result of such circumstances.

Safety

By its nature, a Minardi F1x2 event, and associated activities, involves personal risk. You will be required to complete a disclaimer before taking part in a Minardi F1x2 event. Both the Team, and its suppliers, observe the highest standards of safety, and are subject to statutory rules and regulations. We reserve the right to refuse any person the opportunity to participate in a Minardi F1x2 event, or associated activities, should it be deemed necessary.

Drugs and Alcohol

Under no circumstances should alcohol and/or non-prescribed drugs be taken prior to, and for the duration of, a Minardi F1x2 event, and associated activities. Any person deemed unfit, as the result of consuming either drugs or alcohol, will be excluded from the relevant activities. (It is recommended that no alcohol be consumed during the 12-hours immediately prior to participating in a Minardi F1x2 event.)

Mechanical Breakdown

The Minardi F1x2 Team reserves the right to cancel/delay a scheduled event, and associated activities, due to unforeseen circumstances caused by mechanical problems related to the cars. (It should be noted that the Minardi F1x2 cars are extremely high-performance vehicles and require constant monitoring and checking.)

Programme Content

The Minardi F1x2 Team reserves the right to change/cancel programme content without prior notification. Furthermore, the Minardi F1x2 Team is not responsible for any increase or decrease in the session lengths of a specific programme, and cannot be held liable for any costs incurred in such circumstances.

Documentation

All documentation must be completed as specified in the information pack. Failure to complete the relevant documents fully, and within the required timeframe, will result in exclusion from the Minardi F1x2 event, and associated activities.

Medical

Any decision made by our medical team prior to, or on the day of, a Minardi F1x2 event, will be final.

Queries and Complaints

Any queries, relevant comments or complaints relating to a Minardi F1x2 event, or associated activities, should be referred to:

Mr Richard Salisbury
Operations Manager
Minardi F1x2 Team
Tel: +44 1531 638105
Fax: +44 1531 634525

Please note: All information provided by the participant shall be complete and accurate in every material respect, and will be relied upon by the Company in its decision to allow an individual to participate in a programme operated by the Minardi F1x2 Team.
